Foster care is a complex system with many groups involved. Join a statewide prayer network throughout May to pray for kids in care, foster parents, biological parents, caseworkers, judges, legislators, lawyers, and those providing community support.

1 Pray for the foster family that is exhausted and overwhelmed

2 Pray for the kids/siblings who were just placed with a new family

3 Pray for the children waiting for placement

4 Pray for those in process of becoming foster parents

5 Pray for the family that has just adopted

6 Pray for the siblings who have been separated

7 Pray for the foster family that needs more support

8 Pray for the friends and family of those fostering

9 Pray for the parents working to reunify with their kids

10 Pray for caseworkers who remove kids from unsafe places

11 Pray for the child that was just removed from home

12 Pray for the judge deciding on the best way to protect a child

13 Pray for the foster family that is closing their home

14 Pray for youth living in a group home

15 Pray for those working to create safety for kids in our state

16 Pray for those who just had a child taken into foster care

17 Pray for the child who was just adopted

18 Pray for the child turning 18 and is unclear about the future

19 Pray for the caseworker that is advocating for their kids

20 Pray for the child who is feeling afraid

21 Pray for the kid waiting to be adopted from foster care

22 Pray for grandparents or guardians caring for kids

23 Pray for kids who age out and don't know their next step

24 Pray for those bringing meals, cleaning, and serving

25 Pray for individuals and families thinking of fostering

26 Pray for kids happy in new homes, but missing old ones

27 Pray for volunteers who serve vulnerable families

28 Pray for kids who are in transitional living (youth 18-21)

29 Pray for those feeling led to advocate for foster care

30 Pray kids heal from deep trauma and experience peace

31 Pray for the legislators creating laws to protect children

Foster care was never meant to be carried by families alone. When businesses, faith communities and incredible individuals step to and help, children heal and families thrive. Scan the code to learn more about fostering or supporting those who do:
